

# EASTER SEALS BC/YUKON Annual Report 2019-2020

Easter Seals BC/Yukon is a service of the BC Lions Society For Children with Disabilities.

Since 1952, Easter Seals BC & Yukon's story has been one of hope, courage and triumph for people with disabilities.

Over the years, through the BC Lions Society for Children with Disabilities, Easter Seals (the Society) has provided valued programs and services to thousands of families and children. Our work strives to build self-esteem, self-confidence and a sense of independence for the children, youth and adults we work with.

## IMPACT

**WE BELIEVE IN GIVING INDIVIDUALS A PLACE TO  
CELEBRATE THEIR ABILITIES, TRY  
NEW THINGS, MAKE FRIENDS AND HAVE FUN.**

# A Letter from our Chair & CEO/President

It is quite remarkable what we have all experienced over the past year, and continue to move through during the COVID-19 pandemic. The safety and well-being of the individuals and families we serve has always been a driving force in all of our decisions, directions and actions. This year brought some unique challenges to say the least.

Our board, staff, volunteers and donors rose to these challenges with tenacity, calm and support. We, as an organization, have been very fortunate to be able to continue reaching out to deliver our mission and maintain an important presence in the community.

One of the most profound opportunities that occurred as a result of the health order that would not permit our overnight summer camp program, turned into a very rapid exploration and plan to begin delivering services online. Our goal was to attempt to somewhat replace the camp experience and provide our community with an opportunity that would relieve feelings of isolation and foster socialization with peers and old friends.

The success of this pivot was unimaginable. Over two hundred individuals with diverse abilities participated in one-week online camps that occurred over six weeks of the summer. We were also fortunate to be able to safely deliver City Adventure Day Camp in person for the four weeks of August in Vancouver and for the first time in Victoria.

With the overwhelming feedback to this new form of program delivery, we are continuing to provide program and opportunities online throughout the year. This includes weekly classes in art, dance and music, holiday one-day camps, youth social clubs and fun events, such as the Halloween dance. This was made possible through the leadership of our Camp Director James, his talented staff, the support of our Senior Leadership Team and donors.

With the onset of the pandemic and safety measures, children and families who would normally travel to Vancouver for medical appointments and stay at Easter Seal House, were having their appointments cancelled, postponed, or moved online. The occupancy of the House rapidly decreased and the House was offered to be of service to others during this crisis.

Through a partnership with BC Housing and the Atira Group, an organization serving woman and children fleeing domestic violence, an issue that escalates during crises, occupied the House for four months from April to July.

.....

We were thrilled to have the capacity to assist. The House was an attractive option to accommodate women and children due to its design of self-contained kitchen suites, offering a safe and isolating circumstance to the community.

Moving into our new fiscal year, our organization is in a position that many others would envy. We were quick to pivot our business and service delivery model that has enabled us to not only continue to be of service, but to flourish. Of course, the access to government support, and the incredible support from our donors and funders, has helped us through these difficult times, and for that we thank you.

Over the coming months, we will continue to build on our avenues of program enhancement with online social and recreational programs, youth life skills programs and respite.

We know there will be a light at the end of this tunnel, and we will keep working, with great diligence, to maintain a healthy environment for our clients, staff and volunteers.

Highlights from the year:

- A \$300,000 capital improvement grant was secured from the provincial government to assist with maintaining our camp properties and Easter Seal House
- New online programming was successfully delivered that will continue throughout the year
- Excellent financial health results, allowing us to move forward on the priority capital project to re-develop our Camp at Shawnigan Lake
- New membership program established
- Major strides taken to improve technology tools for enhanced communication to our clients and stakeholders
- Easter Seals House celebrating 65 years of service!

In closing, we would like to thank you for supporting our organization. We should all be very proud of the impact Easter Seals programs and services deliver to children, youth and adults with diverse abilities. Thanks to our Board of Directors, Committee members, Senior Leadership Team and their department staff, we are experiencing success only because of our collective support and efforts.

Stay safe.

# Impact In Action - Camp

In response to the 2020 COVID-19 pandemic, overnight camps at Camp Winfield in Lake Country, Camp Shawnigan on Vancouver Island, and Camp Squamish north of Vancouver, were cancelled in early April due to the health order, and a new, virtual Camp@Home program was developed to continue to bring 'camp', social interaction and activities to campers from age 6 through to 49 years. While the initial scope was developed only for the Summer Program, Camp@Home was such a success, that a Fall Program was developed, along with plans for Winter and Spring 2021.

## SUMMER CAMP - Camp@Home

The Summer Overnight Camp Program was adapted to deliver Easter Seals Camp@Home through an online virtual experience that provided campers with a sense of community, and peer to peer support, while also extending much-needed respite to caregivers.

Over 200 campers participated over six weeks. Camp Kits were delivered to the homes of campers and filled with items from generous sponsors to enhance camp activities.

# 200

### CAMPERS

July – August, 2020  
10 sessions over six weeks (Monday to Friday)  
Individuals with diverse abilities aged 6-49 years

## FALL ONLINE CLASSES - Pilot Project

As the pandemic continued, the need grew for children and adults with diverse abilities to connect socially and take part in activities and learnings. To support these needs, the Summer Camp@Home program was redeveloped and piloted into an online class program for the Fall.

One-hour classes in music, art and dance were offered to ages 6-18 and ran for four weeks.

# 62

### PARTICIPANTS

September 2020  
3 sessions with 4 classes per session  
Individuals with diverse abilities aged 6-18 years

## SUMMER CITY ADVENTURE DAY CAMP

In it's second year of programming, the City Adventure Day Camp was held in Vancouver, and was also expanded to Victoria. Both cities ran for four weeks in August.

Campers and counsellors travelled together to and from activities, with the aim of helping each participant become more comfortable getting around and exploring. Participants interact with other youth, and together they work to build social skills and confidence through fun and educational day trips.

Day activities included game days in the park, talent shows, movie days, water activities, and arts and crafts. Each day hosted up to six campers, and included two counsellors. Detailed COVID-19 protocols to keep all participants, staff, and visitors safe, were put in place.

*"Emmett has been just loving every minute. We are so impressed with how Easter Seals has managed to translate the magic of in person camp to this virtual format. The amazing staff and camp counsellors have gone over & above to ensure all the campers are engaged and entertained. It's been so much fun and we're so happy to have been a part of it."*

Anxiety Disorder	9%
Down Syndrome	7%
Cerebral Palsy	7%
Epilepsy/Seizure Disorder	4%

## CAMPERS JOIN US FROM ALL OVER BC & YUKON

Because Camp@Home is a virtual platform, it allows children and adults to attend camp who otherwise would not have had the chance to go to overnight camp. For some, Easter Seals camps can be too far to travel. With the virtual platform of Camp@Home, campers could attend from anywhere in British Columbia and Yukon.

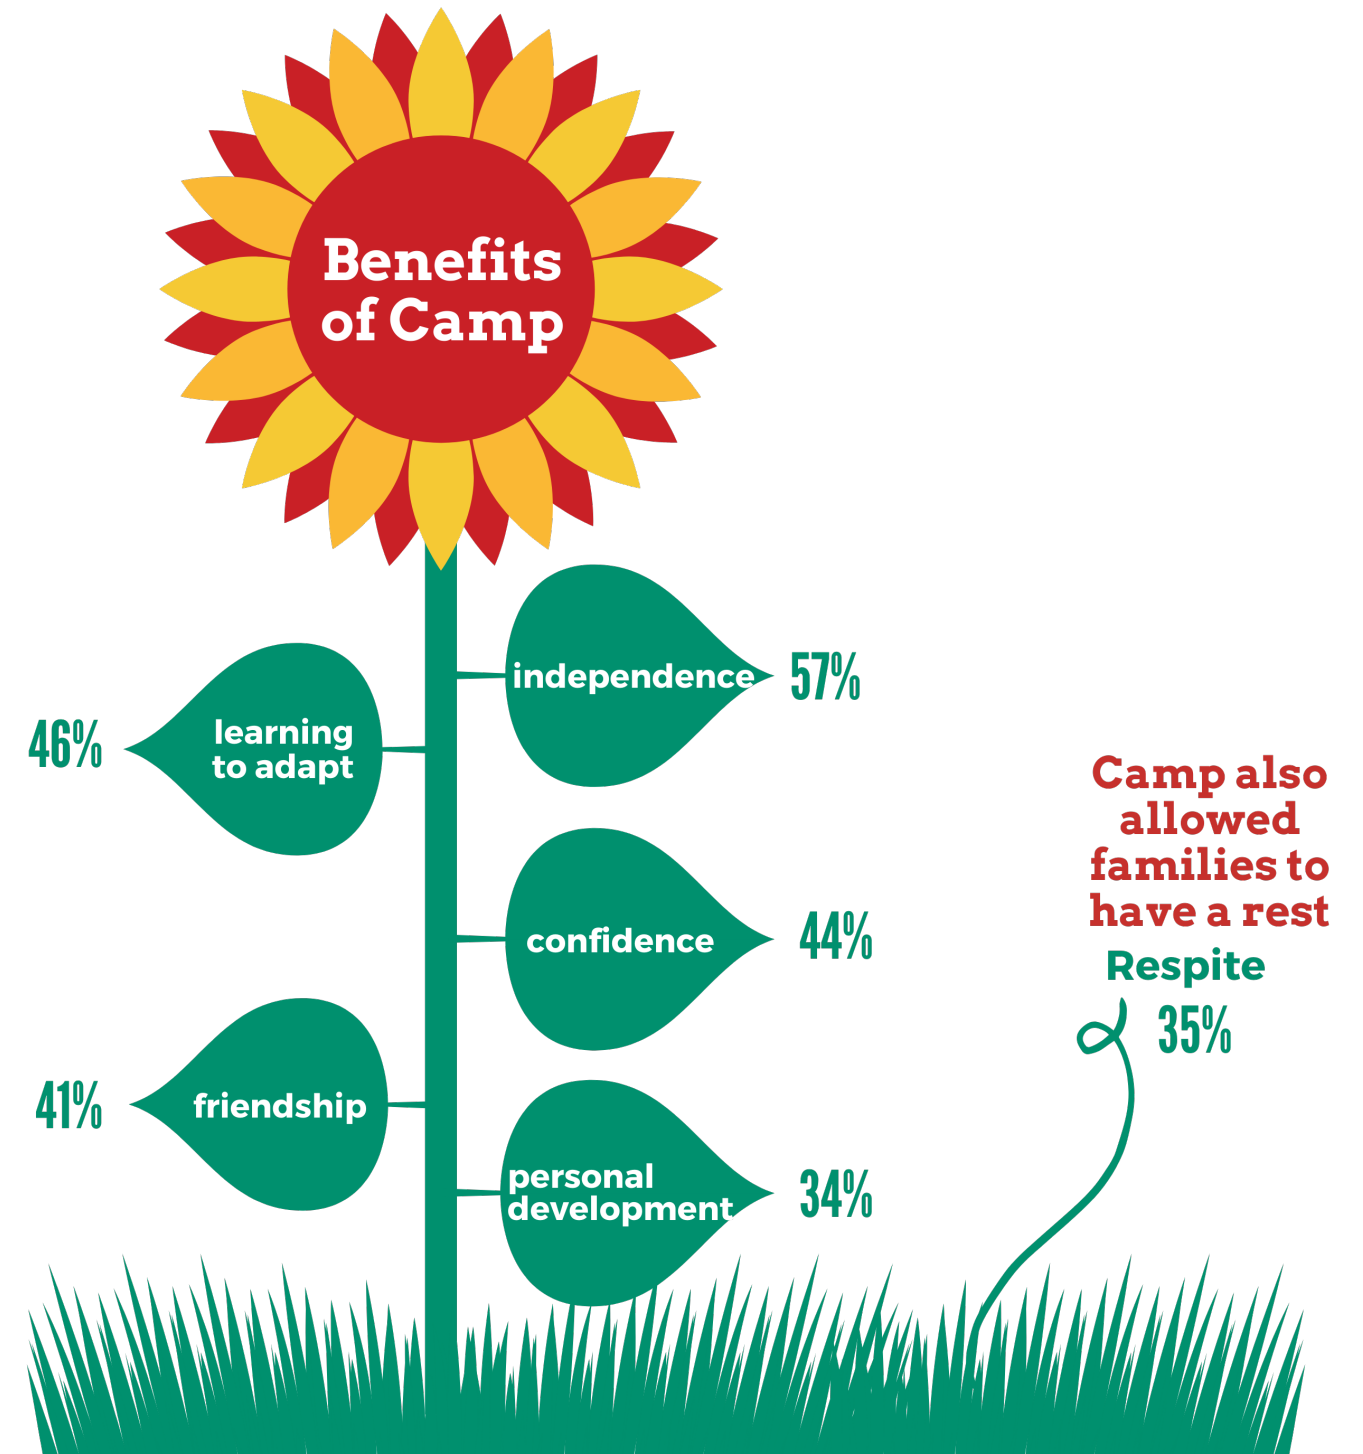

# Benefits of Camp@Home

Camp for children and adults with disabilities is not only about getting away for a week of fun. It's also about acquiring skills they can take back and use in their daily lives.

After attending Camp@Home in 2020, campers were surveyed and their responses showed that they recognized independence, learning to adapt, confidence, friendship and personal development as key areas they improved both their skills and knowledge in.

Camp@Home also brought respite to many families. For parents and caregivers, the time away at camp is always a much needed break from the caregiving and added stress that these families have in their daily lives.

# Impact In Action - ES House

For 65 years, Easter Seals House has been a lifeline for thousands of families, across BC and Yukon, that need access to Vancouver hospitals and medical care - helping relieve families of the stress and financial burden of finding somewhere to stay in an expensive, and unfamiliar city.

Offering affordable and comfortable short-term medical stays, Easter Seals House is a home-away-from-home and support network to approximately 12,500 guests who stay here each and every year.

GUEST STAYS

## Guest Stays

Easter Seals House welcomes guests from across BC and Yukon, with the majority of those coming from the north region of BC.

- BC North
- BC Interior
- Vancouver Island
- Lower Mainland/Fraser Valley
- Yukon/NWT
- Other

In April 2020, due to the COVID-19 pandemic and the resulting cancellation of medical appointments, Easter Seals House closed for four months. During that time, the House served as a community crisis centre and opened its doors to Atira's Women's Resource Society, who housed women and children fleeing domestic violence during the pandemic.

## Meet David

In 1977, David was just two years old when he traveled to Vancouver with his mother and stayed at Easter Seals House for the first time. That first visit lasted two weeks, and David and his mother never imagined what a crucial part Easter Seals House would play over the years, as he received treatment for post-polio syndrome.

For David, Easter Seals House has been his home-away-from-home for 44 years, having stayed for close to 1,000 days and nights.

*"For families who are facing some of the toughest times any family can face, having Easter Seals House means that there is one less stress."*

- David, Easter Seals House Guest

# Easter Seals House Celebrates 65 Years

Thanks to the vision of the Lions Clubs, 2020 marked the 65th anniversary of Easter Seals House, and also the 35th anniversary at its current location on Oak Street, in Vancouver.

When the Lions Clubs formed the BC Lions Society for Children with Disabilities (Easter Seals) in 1947, they recognized the need for people to have access to affordable accommodation when travelling to Vancouver to seek medical attention for their children. They also saw the need to offer accommodation to indigenous peoples who needed to travel to Vancouver for medical attention.

Funds were raised, and in 1955 the first Easter Seals House was built. Over one million guests have stayed since then, and today at our current location, we have grown to 49 self-contained suites and host over 12,500 guests each year.

# Bringing warmth and comfort when it's needed most

Jean's son, Clark, was in school when she received a call that he needed medical attention. That was five years ago, when Clark was just five years old himself.

He had suffered a grand mal seizure and needed to be air lifted to BC Children's Hospital in Vancouver, from their community in Penticton.

Once Clark regained consciousness and his medical tests were completed, Jean was told Clark would be ready to leave the hospital the next morning.

Worried she wouldn't be able to find somewhere nearby to stay on that dark, Friday evening, she was given information for Easter Seals House and the great news that we had a room for them to stay in while Clark was in the hospital overnight.

*"I can't tell you how relieved I was on that cold January day, that we had a warm place to sleep, prepare a meal, and where a tired mum could take a shower, and all just a short walk from the hospital. Easter Seals House found me in one of my darkest hours. I am forever grateful for them taking us in, soothing our fears and saying it's going to be ok."*

- Jean, Clark's mom

# SIGNATURE EVENTS

## Chrome and Cocktails

In November 2019, our Easter Seals community came together for our annual evening fundraiser - Chrome & Cocktails.

Donors, partners, sponsors, and Easter Seals campers enjoyed an evening at the Roundhouse in Vancouver to raise funds for Easter Seals camps, and bring another summer of magic to children and adults with diverse abilities.

**Sponsors:** National Bank Financial, Creed Capital Management Group, Mile's End Motors, Steam Whistle, Madlab Brewery & Distillery, Rare Drams, Emelle's Catering and Global BC.

**Funds Raised: \$32,500**

*"Being around other kids like me made me feel like I wasn't alone. Everyone was encouraged to take pride in and use their abilities to the fullest."*

**- Marco Pasqua, Easter Seals Camper Alumni, Keynote Speaker and Current Board Member**

## Easter Seals Drop Zone

In September 2020, 109 superheroes joined us for the 15th Anniversary of Easter Seals Drop Zone in Vancouver, and for our second year in Surrey. Together these two events raised a total of **\$169,316**.

Drop Zone challenges participants to rappel down the side of an office tower, while raising funds for persons with diverse abilities. This year's Drop Zone was truly a no-contact, fundraising event that we were still able to put on during the COVID-19 pandemic.

Due to the COVID-19 pandemic, Easter Seals Drop Zone looked a little different than past years. With the health and safety of Drop Zone participants always a top priority, COVID-19 policies were put in place in accordance with the guidance published by the local health authorities, the government of BC and Worksafe BC.

A special thank you to all of our participants, teams and sponsors who helped make this event possible.

# STRONGER TOGETHER: SUPPORT FROM COMMUNITY

## Easter Seals Membership Program

In January 2020, Easter Seals launched a new annual Membership Program to give supporters another way to become involved in the Easter Seals community. For \$10 a year, members will receive a members only newsletter sent twice a year filled with personal stories from our community and updates on our programs and services. Members will also receive an invitation to the BC Lions Society for Children with Disabilities AGM, an invitation to an exclusive, members only breakfast before the AGM, and invitations to events, and members only, Summer Camp and Easter Seals House tours.

Easter Seals partnered with WebGiv in 2020, to implement their free, fundraising strategy - a cash-back, online donation program for charities. Through WebGiv, there are more than 25,000 retailers who will donate a percentage of their purchase to the buyer's charity of choice. Buyers need to only upload the WebGiv extension and order online from their computer.

### "Give As You Live"

*"These camps for our children are life changing. It teaches them kindness, compassion, support of one another and not to be afraid. To be able to go out in the world and be themselves. That is the most important thing. Nobody places any expectations on them and they just shine. It's those experiences that come home and shape them, giving them the tools to help them with their day to day life challenges."*

# STRONGER TOGETHER: PARTNERS & VOLUNTEERS

## Central Okanagan Foundation - Supporting Camps

The Central Okanagan Foundation provides ongoing contributions to the quality of life in our communities, and in 2020, our Easter Seals Camp program was fortunate to have the support of the Central Okanagan Foundation not once, but twice.

In addition to receiving the second installment of a \$39,000 multi-year commitment to support Camp Winfield, Easter Seals also received a grant of \$24,497 from the Government of Canada's Emergency Community Support Fund and Central Okanagan Foundation. These funds were designed to help Canada's most vulnerable populations during the COVID-19 crisis and provided much

needed support for our virtual summer Camp@Home Program in the Central Okanagan region.

We are so grateful for the support of The Central Okanagan Foundation in helping us move ahead so quickly in redesigning our summer camp program due to COVID-19. During this pandemic, our community lost resources that they rely on every day and we wanted to make sure that our camp program wasn't one of them.

## Easter Seals National Volunteer Award

In recognition of the invaluable contributions that volunteers make to Easter Seals' mission and work across the country, Easter Seals Canada presents a National Volunteer Award to one outstanding volunteer from each province.

### BC/Yukon Winner - John Mould

John Mould is a passionate advocate for all those impacted and living with diverse abilities in our community. John began his work with Easter Seals in 2001 and it's because of his dedication, empathy and hard work, that Easter

Seals continues today. John's clear insight and guiding vision garnered the respect and admiration of staff, so much so, that he was asked to take the staff and Board of Directors through a strategic review of the organization. From there, John was invited to join the Board of Directors where he took the role of Board Secretary and was a member of the Finance & Audit and Fundraising Committees. Through it all, John continued to go above and beyond by taking part in Easter Seals events and becoming a donor.

For twenty years, John has established a renewed and reinvigorated spirit of cooperation and collaboration. He has captured, through effort and enormous dedication, a brighter and more stable future for Easter Seals. It's because of all his work, his intelligence, vision, leadership and decisiveness, that Easter Seals can continue to send children and adults with diverse abilities to summer camp, and provide a home-away-from-home for families, throughout BC and Yukon, who come to Vancouver for medical treatment.

# STRONGER TOGETHER: DONORS & SUPPORTERS

We would not have been able to accomplish all that we have, and made a meaningful difference in the lives of so many, without the kindness and generosity of our donors. We gratefully acknowledge and thank each and every one of you.

# SHAUGHN & SHARON CLEMENTS

## Easter Seals Camp Endowment Fund

We are fortunate that when Shaughn and Sharon Clements were looking for a worthy cause to support, they read an article about Easter Seals BC Yukon's camps, and agreed it was a cause they wanted to support. This led to the creation of the "Shaughn and Sharon Clements Easter Seals Camp Fund" in May 2019 - an endowment fund, held at Vancouver Foundation, designed to provide an annual grant to assist with maintenance and operations of camp facilities.

"We prefer establishing endowment funds as they provide annual income in perpetuity," says Shaughn. "Our hope is that the fund will grow over time, and provide some financial sustainability so that Easter Seals will be able to continue to provide these important experiences, for years to come."

**Grants Raised To Date: \$1,600**

Having spent a decade relying on a manual wheelchair, Shaughn has an appreciation for not allowing a disability to stop anyone getting out there and having fun - which is what Easter Seals Camps are all about. The fund is a way for Shaughn and Sharon to ensure that campers have a safe and secure environment to have fun, make new friends, and learn to do new things that expand horizons and abilities to adapt to the 'outside world'.

### Use of Funds - 2018-2020 Programs & Services (Camp, Easter Seals House)

## From the Finance & Audit Committee

2019/2020 was a challenging year to say the least. Midway through the fiscal year, the global outbreak of COVID-19 introduced an unprecedented level of uncertainty in the economy. However, the Senior Leadership Management Team and the Board paid close attention to the developments, continuously monitored the impact on the Society's operations, and responded accordingly.

Management formed new community partnerships and summer camps were reimaged to new expanded virtual formats. The positive financial results are an outcome of this hard work. Strategically, the organization adjusted its operations and found efficiencies. By stewarding the organization strategically, the Society generated a year end surplus of \$325,716.

Looking ahead, it is the Society's vision to broaden our reach and support children with diverse abilities throughout their lifetime. We will look to expand our reach, increase our engagement with new and existing supporters, and collaborate with new partners and organizations.

Together with you, our valued supporters, we will continue to support persons with diverse abilities across BC and Yukon for years to come.

Wendy Leong, CPA, CA  
Chair, Finance & Audit Committee  
Treasurer, BC Lions Society for Children with Disabilities,  
Board of Directors

"If it wasn't for the training and structure I received from Easter Seals Camps, my dream wouldn't have been possible. Thanks to Easter Seals, I practice what they have taught; in my everyday life today."

– Krystian

"I went to camp for 11 years and my favourite activity to do while at camp was going on the big swing that was 60 feet off the ground."

– Natasha

"My time at camp has played a large role in learning to be independent. It's a place where I have always been treated just like everyone else, without being judged based on my disability."

– Paul

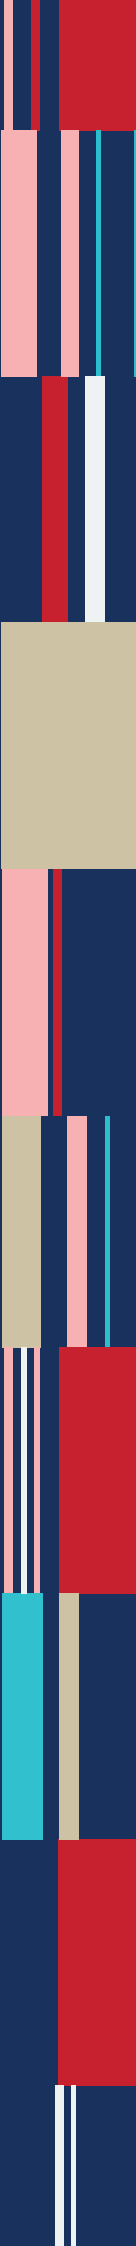

"My favourite part of camp is making new connections and new friends I hadn't met before. And the food and the games!"

– Cassidy

"Camp is not only important to campers. Sometimes these camps are for the family too. It's a chance to give us family members a time to refresh and recharge."

– Michelle
