## Program Overview

The Disability Travel Card is for people of all types of **permanent** disabilities who require the assistance of a support person when travelling with **VIA Rail Canada**. When a cardholder presents the Disability Travel Card when purchasing a ticket for travel with one of the participating companies mentioned above, one support person can accompany them during travel for a reduced fee. The person with the disability (the Disability Travel Card holder) pays regular ticket price.

The applicant must agree to follow the terms and conditions for use of the card (see next page).

A support person is an adult who accompanies a person with a permanent disability to provide those services that are not provided by the participating transportation company employees, such as assisting the person with eating, administering medication, communication, and use of the facilities.

- **The age regulations for a support person differ with each of our partner. Please contact them directly for specific details.**
- The Disability Travel Card is not valid with any airlines.
- The Disability Travel Card is managed and administered by Easter Seals Canada. The card does not expire.
- Easter Seals Canada is the distributor of the Disability Travel Card only and has no responsibility for any issues/complaints regarding customer service of the carrier. Please contact the carrier for any issues.
